

Technical Notice – Revised Volumes effective 1st July 2021

Please be advised that Revised Versions of the 2021 editions of the following Sporting Code Volumes have been published:

SC4_F3_Helicopter_21_v2.0 and SC12_U_UAV_21_v2.0

It was decided to publish revised volumes Helicopter and UAV Records owing to the number, scope and importance of “early implementation” rules agreed at the 2021 Plenary Meeting, and so as to make these rules readily available for activity in 2021 and preparation for 2022. The Revised Versions can be downloaded from the Documents page.
